

PROPOSAL SUBMISSION AGREEMENT

Thank you for taking the time to send us your idea and/or proposal for consideration as a potential joint venture project.

Please understand that although your idea is new and fresh to you it may be old to our team, in the public domain, or already being planned or developed by us. Therefore, we wish to be fully transparent and believe that good business practice requires a full explanation of the conditions under which we can review your idea to avoid any confusion or problems later.

We have no obligation to you with respect to your submission, except if we later mutually agree so in writing, at our mutual discretion. Unless such agreement says differently, all ideas, concepts or strategies included in any submission will automatically be treated as non-confidential and non-proprietary and will become the sole property of The Preneur Group Pty Ltd. Thus, unless such agreement says differently, we at The Preneur Group Pty Ltd are free to proceed with respect to any business or arrangement based on your submission without paying you.

Anyone who submits an unsolicited idea, suggestion or proposal to The Preneur Group Pty Ltd thereby waives any right, title and interest in the content of such submission and agrees not to assert any claim of ownership in that content against Preneur Group Pty Ltd and/or any subsidiaries. You shall not be entitled to any finder's, brokerage, agent or similar fees from us in connection with your submission.

You acknowledge that you are giving your submission voluntarily, and that no promises or representations (either oral or written) have been made to you by Preneur Group Pty Ltd and/or subsidiaries concerning your submission, the use of your submission by Preneur Group Pty Ltd, or compensation related to your submission.

I have read the agreement set forth above and accept its terms and conditions.
